Dear Friend of Highland Education Foundation,

October, 2022

Highland Education Foundation, HEF, established in 2016, fosters and facilitates excellence in teaching and enhances the learning experience of School Town of Highland students by providing grants to teachers who implement programs and projects not included in the school town budget. With the help of our supporters, we have awarded 68 grants totaling \$39,000 in the past 5 years.

Trivia Night, scheduled for Saturday, February 25, 2023 is our major fundraiser. Held at The Community Room at Lincoln Center, we look forward a night of trivia, raffles, a silent auction, drink and fun! We are currently seeking sponsorships, silent auction donations and raffle items.

If you would like to help support Highland teachers and students, please consider donating. Please contact any board member or a member of the fundraising committee listed below.
